DEAR READERS

"In the presence of trouble, some buy crutches, others grow wings."

Patience, willpower, determination, courage and confidence are the sterling qualities of mind that are indispensable in the struggle of life. Lives of great people are nothing but success stories which have proved that sooner or later, the man who wins is the man who thinks he can. So having a positive attitude is of utmost importance as by being an optimist, we can turn scars into stars and win laurels in life.

We should remember that "Destiny is not a matter of chance. It is a matter of choice. It is not a thing to be waited for. It is a thing to be achieved."

As Martin Luther King Jr had said, "Change does not roll in on the wheels of inevitability but comes through continuous struggle" we must also straighten our backs and work toward achieving our goals in the new sessions.

Reflections, showcases the events, activities, academic and sports achievements of the school. In this edition, we have captured last three months' activities and student accomplishments with the hope that this last edition of the AY-2023-24 makes for an interesting read.

Happy reading!
